4.2 Generally, we store your personal information for as long as necessary in order to maintain the customer relationship and to provide services to you. There are other reasons why your personal information may be retained for a longer period such as legal or regulatory reasons. However, if you opt in to receive marketing communications from us we will retain your personal information as long as necessary (for the purposes of direct marketing to you) unless you withdraw your consent to, or unsubscribe from, marketing materials. If you would like to withdraw your consent to, or unsubscribe from, marketing communications, please contact us in the manner indicated in the relevant communication.

- 4.3 We may disclose your personal information if we are required to do so by law or requirement of a competent authority. In addition, we may disclose your information in order to comply with regulatory obligations such as if you have an adverse reaction to our products.

5. Sharing of your Personal Information

- 5.1 We may share your personal information with other companies within the Natura &Co Group (i.e. subsidiaries, affiliates, franchisees and sub-franchisees of The Body Shop, Aesop, Avon and Natura). It may also be shared with a third party who acquires us, a member of the Natura &Co Group, or substantially all of its assets.
- 5.2 We may use other carefully selected companies, agents, or contractors to perform services on our behalf or to assist us with the provision of services to you. We may also share your personal information with not-for-profit entities or our campaign partners for charitable purposes or petitions.
- 5.3 If you are an existing customer, we may share your personal information with carefully selected companies which perform marketing activities on our behalf for direct marketing purposes, as we have a legitimate interest in doing so.
- 5.4 If you do not want us to use your personal information for direct marketing purposes, or if you do not want us to pass your details on to third parties for direct marketing purposes, please advise us.
- 5.5 Each time we send you marketing communications, we will give you the option to unsubscribe by contacting us as set out in the relevant communication.
- 5.6 We may share your personal information with Natura &Co subsidiaries, affiliates or to third parties established outside the UK, for the purposes of providing services to you or supporting our business operations. If we do transfer your personal information to these organisations, we will provide appropriate measures and controls to protect your personal information such as data transfer agreements in accordance with applicable law.
- 5.7 We will only use your personal information for a purpose that has been specified, as appropriate, prior to its use or where the processing of your personal information is necessary for the performance of a contract to which you are a party or in order to take steps at your request prior to entering into a contract or processing is necessary for other legal purposes.

6. How to withdraw your consent

- 6.1 At any time, you can withdraw your consent to the collection, use or disclosure, or otherwise processing of your personal information by (i) contacting us using the details set out at the end of this page, or (ii) writing to us in the prescribed manner (whether by email or post, or by text messaging etc.), as specified in our communications to you, or in relevant forms that you might have signed (e.g. for our customer loyalty scheme). If you have any concerns in relation to the unsubscribe functionality that we make available to you, please contact us using the details set out at the end of this page.
- 6.2 If you opted in to receiving marketing communications from us when you became a member of our loyalty scheme and choose to end your membership to such scheme, we will not take this to imply an automatic request to unsubscribe or withdraw your consent, and we will assume that we have your continued consent to direct market to you, unless you specifically unsubscribe or withdraw your consent from that loyalty scheme.

7. Accuracy of your Personal Information

10. Effective date and changes to this Privacy Notice

10.1 This Privacy Notice was last updated on 18 May 2018 and revised on 3 September 2020.

10.2 We reserve the right to change this Privacy Notice from time to time. If we decide to change this Privacy Notice, we will notify you of these changes by posting any changes on any relevant Internet pages.

10.3 If at any point we decide that we wish to use your personal information for any purpose other than, or in addition to the purpose(s) listed in this Privacy Notice or that stated at the time your personal information was collected (or a purpose compatible with the original purpose), we will notify you. To the extent that your consent is legally required we will only proceed with such use, if we receive your consent with respect to such additional purposes.

11. How do we keep your Personal Information secure?

11.1 We protect personal information against loss or theft, unauthorised access, disclosure, copying, use or modification with security safeguards appropriate to the sensitivity of the personal information, regardless of the format in which it is held

- 11.2 We use various administrative, technical and physical methods to safeguard your personal information. They include:
- (a) physical measures: locked filing cabinets, restriction of access to offices, and company alarm systems.
 - (b) technical tools: passwords and encryption, using generally industry best practices.
 - (c) organizational controls: confidentiality agreements, limiting access on a need-to-know basis, staff training and security clearances.
- 11.3 Online security is also a priority. We incorporate security measures such as encryption and authentication tools to protect your personal information from unauthorised use. Firewalls are utilised to protect our servers and network from unauthorised users accessing and tampering with files and other information that we store.
- 11.4 Payments are processed in a secure environment using software provided by third party providers.
- 11.5 The Body Shop, as a global retailer, has signed up to and aims to comply - to the extent relevant to its type of business - with the Payment Card Industry Data Security Standard (PCI DSS). For more details on PCI DSS please refer to: <https://www.pcisecuritystandards.org/>.

12. Matters specific to the Internet

12.1 Links to Other Websites

- (a) The Web Site or any of our various other web sites may contain links to other third party owned and operated web sites or internet resources. When you click on one of those links you are contacting another web site or internet resource. We have no responsibility or liability for or control over those other web sites or internet resources or their collection or processing of your personal information.
- (b) We encourage you to read the privacy policies of those other sites to learn how they collect and use information about you.

12.2 Cookies and Web Beacons

- (a) Our web sites make use of cookies as well as web beacons. A cookie is a small piece of data (text file) that a website – when visited by a user – asks your browser to store on your device in order to remember information about you, such as your language preference or login information. Those cookies are set by us and called first-party cookies. We also use third-party cookies – which are cookies from a domain different than the domain of the website you are visiting – for our advertising and marketing efforts. More specifically, we use cookies and other tracking technologies for the following purposes:

Strictly Necessary Cookies

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

Performance Cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site and will not be able to monitor its performance.

Functional Cookies

These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies, then some or all of these services may not function properly.

Targeting Cookies

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not store directly personal information but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

Social Media Cookies

These cookies are set by a range of social media services that we have added to the site to enable you to share our content with your friends and networks. They are capable of tracking your browser across other sites and building up a profile of your interests. This may impact the content and messages you see on other websites you visit. If you do not allow these cookies you may not be able to use or see these sharing tools.

- (b) You may choose to decline cookies but doing so may affect your use of our web site, for example your ability to access certain features of the site or to engage in transactions and tailored content or advertising.
- (c) If you opt out of interest-based advertising cookies, you may still see advertising online but it will no longer be tailored to your interests.
- (d) Tracking tags/Beacons: Each web page in our web sites contains tracking beacons/tracking pixels that allow us to follow your progress through the various pages within the web site. This information is then aggregated (de-personalised) before being analysed.
- (e) Pixels/tags in emails: When you receive marketing emails from us they will contain pixels or other devices to determine whether your email address is accurate, and our email has been opened. You can withdraw your consent to receive these emails as set out in this Notice.

13. Children

- 13.1 Unless otherwise indicated, our website and mobile app are not directed toward children. The products that we offer for sale on our website and mobile app are intended for purchase by adults only. We do not intentionally collect any personal information from children.

14. How to contact us

- 14.1 If there are any questions or concerns regarding this Privacy Notice or the data collection practices outlined herein, please contact us as follows:
 - (a) By Email: To the relevant customer services' email address designated for your site or country.
 - (b) By Mail: Privacy Notice Enquiries, Legal Department, The Body Shop International Limited, Watersmead, Littlehampton, West Sussex, BN17 6LS, UK
- 14.2 You are reminded not to send via unencrypted means (such as email) sensitive information such as passwords, credit card information etc.
