

# CRITICAL THINKING CARDS

Conversations spark ideas  
that change our world.

# Introduction

Welcome to a game where the rules are easy, but the conversations are hard.

From pay gap to thigh gap, the cards in this game are designed to bring us together to tackle gender inequality - one tough topic at a time.

# How to Play

Grab 1 or more people who believe equal rights are human rights. Gather together, and pull a single card from the deck. Read the card aloud, and then let everyone just... talk.

Learn from the cards,  
and from each other

Share personal stories  
and experiences

Reflect on your own  
attitudes and behaviours

Act on your new knowledge,  
putting it to work IRL
